Our story of the three

seasons at Southside

Foreword

Commencement is almost here. Nineteen hundred fifty-one has given place to nineteen hundred fifty-five. Freshmen have become Seniors. All too soon we must leave old S. H. S. behind us. A new world of interests will be ours; new duties, new responsibilities, and new problems will confront us.

Shall we forget these four years, or the institution which has nurtured us? No, never. For here we have been laying foundations for the future. Here we have made friendships, some which will endure through life. Here we have learned of the faithfulness and patience and friendly spirit of those who have taught us.

Feelings of regret must be ours as we go. With them, feelings of gratitude-gratitude for the privileges which our American system of education affords us, gratitude to our good city, gratitude to principal and institution, gratitude to parents.

We go with hopes for the best success of S. H. S. in days to come, and with good wishes to the members of the faculty. Let us cherish her fine traditions, and resolve that this class of 1955 shall always live faithful to them.

. . . . FALL

Principal—Wallace J. Howell

We have known you only three short years, but in those years we have learned much from you and the examples you have set. If we follow these fine examples, we shall surely have better chances for attaining success in life after we leave high school.

It has often been said that behind every great thing there is a motivating force. This saying can very well be applied to you, working beyond those doors which arouse the freshmen's curiosity and behind the desk which seniors sometimes think of as the bar of justice. Under your capable administration Southside functions from day to day with a regularity and smoothness that are all too often taken for granted. For your many hours of "behind the scenes" work which makes Southside into the smoothly running institution it is, we wish to thank you here.

We have noticed your kindly wit, your genuine interest and your desire to do all you can to make our class a better one, and Southside a better school.

As youth about to leave the school, we wish to express gratitude not only for your capable management but also your personal interest in us as individuals.

Superintendent—Donald S. Keeler

The man recently appointed to run the educational system in the Elmira area is Superintendent of Schools, Donald S. Keeler. Formally from Perry, New York, Mr. Keeler began his work as head of the school system in the fall following the resignation of Oscar Kerlin. Already Mr. Keeler has won the respect of faculty and students alike with his helping hand and willing smile. Being in such a position is no easy job. Despite his many duties, Mr. Keeler still finds time to visit schools and to meet pupils in groups or individually. All have noticed his fairness in all decisions and his willingness to listen to and consider the problems of all. Elmira is indeed fortunate in having so conscientious and able a man as Mr. Keeler in the position of Superintendent.

Student Council

First in importance among the organizations at Southside is the STUDENT COUNCIL, since it is the voice of the entire school. Through his elected homeroom representative, every Southsider is given a chance to air his views.

The Student Council this year, under the leadership of Conrad Kraus, has discussed affairs pertinent to every student and has effected numerous changes. Among its projects have been: distribution of monthly calendars, revision of new time schedule, addition of two words, under God, to the Pledge of Allegiance to the Flag, and appointment of a very active Suggestions Committee.

This Suggestions Committee, headed by Harold Smith, has made such improvements as securing the right of having senior lockers on the top floor and having two milk lines in the cafeteria.

In its membership, in its purposes, and in its service to the school, the Student Council of Southside High School is truly of the students, by the students, and for the students.

OFFICERS

First Vice-President ---------- Carl Hesselbach
Second Vice-President ---------- Dave Costello
Secretary ---------- Phyllis Hughes
Treasurer ---------- Joyce Dunn
Advisor ---------- Miss Elsa Brookfield

In order to be a member of Southside's Alpha Chapter of the NATIONAL HONOR SOCIETY, one is chosen on the basis of scholarship, leadership, character, and service. First consideration is given to scholarship; then by faculty vote, determination of the student's eligibility is decided according to the other three.

Under the guidance of Miss Elsa Brookfield, the advisor, these members have indulged in both business and social activities. Scholarship classes were held every other week for the purpose of preparing candidates for New York State Scholarship Examinations and to enrich their educational background.

The main principles of the society are: to stimulate a desire to render service to the school, to promote worthy leadership, and to encourage the development of character in the students.

Junior Red Cross

The re-established JUNIOR RED CROSS COUNCIL has been very active this year. The first meeting was opened by Julie Knapp who had attended the Junior Red Cross Conference at Hood College in Maryland where she was informed on all aspects of Red Cross. The Council presented an assembly consisting of several skits and a movie to launch the enrollment campaign which ended successfully with $67.00.

For projects the group filled gift boxes, entertained the Cerebral Palsy children at Christmas, made scrapbooks and favors for children of local hospitals and the county home, and obtained literature for the veterans.

Senior Council

Forming the SENIOR COUNCIL are the senior class advisors, officers, one elected representative from each senior homeroom, and one appointed senior from each homeroom to be on the business committee. This latter group was especially busy before the play, the Prom, and class day handling the business transactions. It is the duty of the Senior Council to plan our last three seasons at Southside—all Senior activities, dances, the play, Senior day, and the Prom.

Every Tuesday after school the council can be found in 203 discussing and voting on issues concerning the class and its activities.

May this, the 1955 EDSONIAN, be instrumental in calling back those half-forgotten memories of life at our beloved Alma Mater after dame fortune has turned our footsteps from these pleasant paths and led us far afield. Herein we have endeavored to depict Southside, and to present a record of its activities and those of the class of nineteen hundred fifty-five. May the memories of our youthful days be pleasantly recalled through this record which is intended to keep alive all the beautiful seasons spent here.

This year's EL-SO-HI staff, under the guidance of Miss Mabel Haupt and under the editorship of Virginia Rohrer, has worked very hard to produce a very successful Volume 31 of the EL-SO-HI.

Finding, investigating, and writing in an eye catching manner—all are the jobs of the reporters.

Setting up the dummy, writing headlines, checking up on last minute details—all are the jobs of the editors.

Obtaining ads every three weeks, collecting money, working for more ads and money to make a bigger and better paper—all are the jobs of the business staff.

Despite very discouraging moments, the staff always has that feeling of achievement, satisfaction, and relief when the paper is sold.

The Club's purpose is to cultivate interest in the German language and customs. Traffic Squad

Much credit goes to Southside's TRAFFIC SQUAD. We could not do with out these young officers whose duty it is to prevent accidents and direct interclass traffic. As the bell rings each period, these boys may be seen hustling to their posts.

Flag Squad

Each morning and afternoon the FLAG SQUAD can be seen caring for the school flag. Although not a difficult task, it does require dependability.

During the past year, the Southside high BAND has grown immensely in size and ability under the capable direction of William E. Biery.

The band has participated in many activities during the past year, including home football games, pep assemblies, the Spring Concert, and two concert assemblies. A Band picnic completed the year's activities.

J. V. CHEERLEADERS

The CHEERLEADERS are those girls who, like the boys in competitive sports, enjoy using their athletic skills for the honor of the school as well as for their own enjoyment. These girls have been directed by Miss Reynolds this year.

At basketball and football games, the Southside Varsity and J. V. Cheerleaders, traditionally dressed in their peppy green and white uniforms, sparked the spirit of both team and spectators. Whether in the gym practicing or at informal conferences with their clever new advisor, the girls could be seen preparing concoctions for pep rallies or learning new cheers.

The Cheerleaders spurred the boys to victory and sparked the enthusiasm of the crowd by their cheers and formations; but whether victorious or defeated, the girls smiled on as true sports.

Cheerleaders Club

This year's CHEERLEADERS CLUB has been very active. The idea of a "Snack Bar" each Wednesday after school was taken over from the Cheerleaders, and this project proved very successful. Selling pennants, corsages, and programs by members of the Cheerleader's Club under the presidency of Emily Romat fostered school spirit by adding a spot of green to the various sport events. The Club has been under the supervision of a new advisor, Miss Reynolds.

Twirlers

Our pretty TWIRLERS entertained football crowds with many tricky routines this year under the able leadership of Jeannette Spirithes. Perky new hats highlighted their traditional green and white uniforms.

Varsity Football

Southside's VARSITY FOOTBALL team swung into the 1954 football season with a promising opener, only to be halted by the surging opposition from the other teams in the conference.

Southside's Green Hornets, although hindered by the lack of physical strength and experience, put forth something that everyone loves to see—a scrapy, never-say-die spirit. As the old saying goes—no team is made over-night—and our team was no exception. Nevertheless, Southside's record is nothing of which we are ashamed.

The drive and spirit shown on the field were not the only evidences of a great team, however. Something the public never sees is the toil and hard-

ship suffered on the practice field. With a goal set and with great determination, the team set forth under the blazing sun of late summer and the biting cold of winter.

Without difficulty we could take each man on the team and give a good account of him, but standing out above all the rest was the inpenetrable Edward Michaels. Shaking off bumps and bruises, Michaels fought his way to a first team spot on the All-State team. His reward also came in the form of a scholarship.

Yes, it was a profitable year; for it showed that even when we are down, we are never out.

Junior Varsity Football

The fighting bugs of the J. V. FOOTBALL squad gave Southside a bright outlook on the future by making a very good showing in the '54 - '55 campaign. As was the case with the Varsity, their great success should not be measured in points but in ability gained.

Under the painstaking direction of Coaches Abe Ferris and Bob Habersalt, the Junior Hornets won over half of the Conference games.

Several of the underclassmen matched the boys of the Varsity in determination and skill, but due to their inexperience and lack of size were held to the Junior team.

Anywhere from six to twelve candidates from the Junior squad will advance to the varsity in the '55 - '56 campaign. In them lies the hope of a well experienced and well rounded team for '55.

Wrestling

Southside's able-bodied WRESTLING team drags out the mat for a great season this year. The to Jerry Lawes who won the tumbling Hornets showed great skill and spirit but lacked the experience to put them on top. When the sectional meet came up, Southside's matmen looked to be in the peek of condition. Yet, as fate would have it, they bowed graciously to their superiors of rival schools. Great honor goes to Jerry Lawes who won the championship bout in his division at the state sectionals.

WINTER

The Climax

"The Curious Savage"

On the 19th and 20th of November, "CURIOUS SAVAGE" was presented by the Seniors, concluding five long tedious weeks of work.

Such amusing incidents as a senator being trapped in the White House petunia bed, a judge having a chimney fall on him, and a woman invading a museum, all caused by a gentle, likeable lady, occured in the play.

The play was climaxed by an epilogue which greatly moved the audience. Here, as Mrs. Savage and the "Teddy Bear" gazed in wonder, were portrayed the guests as they wished to be: a famous pianist, an expert violinist, a happy mother with her child, and a beautiful girl. This epilogue and the play will remain in our memories for a long time.

Footlight's Club

Since 1951, when the Junior Play cast organized FOOTLIGHTER'S CLUB, the members have drawn up a constitution, given the club a name, and have organized themselves for the main purpose of dramatic training.

With the helping hand of their advisor, Miss Ellen Brown Moxley, the Footlighters have presented a mystery play, "Sinapore Spider" for a school assembly during the past year. They also journeyed to Fredonia State Teachers' College in May where they presented a one act play for the drama festival.

STAGE CREW

Seldom do we realize the job that faces the STAGE CREW each time an assembly is given. These boys receive very little credit for their efforts and time given to work behind the scenes.

Opening and closing the curtains, proper lighting, and moving of stage scenery are only a few of many jobs which these boys do faithfully every time there is an assembly or production on our stage.

Upsilon Kappa

Upsilon Kappa, the USHER'S CLUB, is one of Southside High's service organizations. It is comprised of senior girls and is under the guiding hand of Miss Marion LaVine.

Since 1928, when Upsilon Kappa was first started, its main purpose has been to provide ushers for all school assemblies. However, the club also furnishes ushers for many local civic activities. The maintaining of the hostess table is an annual project of this club which provides service to all visitors at our school. Another project which Upsilon Kappa undertook during the past year was the drawing up of a constitution.

Varsity Basketball

For the second consecutive season Coach Bill Dalrymple's VARSITY BASKETBALL crew ended the season with a winning record.

At first, the Hornets just could not seem to get started as they lost one game after another, but by mid-season they finally hit their stride and finished the year with a record of 9 wins and 7 losses.

The high point of the season took place in the last game as Southside set a new city scoring record, turning back Horseheads 95-83. In the same game Dave Golden set a new individual scoring record as he dropped in 43 points for the Hornets.

Coach Dalrymple will have five returnees next year who should be able to provide Southside with the nucleus for another good season.

Letterman's Club

Southside's LETTERMAN'S CLUB led off the 1954 - 55 season with a bang by sponsoring the Turkey Mambo, November 24. Among many of its activities were the Letterman's banquet, Christmas card sales, and the buying of green and white jackets for the members acquiring more than two varsity letters. Responsible for the club's tremendous success was advisor Harold Schwalb.

"Our Miss Brooks"

The Junior Play, "OUR MISS BROOKS", came to a successful conclusion on April 9th and 10th after five long weeks of hard and seemingly hopeless rehearsals.

Bea Ann Richie relived the part of a harassed high school English teacher cast adrift among a frantic principal, irate school board members, and an uncooperative basketball coach.

The play, and all the work and pleasure connected with it, will long live in the memory of everyone concerned.

Baseball Team

Southside's BASEBALL TEAM came through again in dazzling fashion by putting Southside in the spotlight of sports. Although this year's team bowed to Johnson City in the championship game, it showed the spirit, drive, and determination that made it one of the top, if not the top team of the conference. They were led by that man of sports himself, Bob Habersaat.

Seniors of 1955

The CLASS OF 1955 has sought and found in its class advisors the friend, teacher, and counselor it needed. These two wonderful people have proven constant allies and loyal supporters. From them we have gained encouragement, inspiration, constructive criticism, wise guidance, helpful advice and cooperation in all our undertakings.

Their friendliness, understanding, and able leadership have helped to make our high school days happy, unforgettable, and successful ones.

They have devoted their time and energy to further the interests of our class and to help us achieve our goals. We cannot help but greatly respect them.

At this time we wish to express our deep appreciation to these two people who have so patiently guided our footsteps through four years of high school.

Thy Honor We Proclaim

Alma Mater

Oh, Alma Mater, fair and bright,
Thy honor we acclaim;
We rally round the Green and White
To laud thy noble name,
In thee we students shall renew
Our faith of days gone by,
Across the years we'll live anew
Thy spirit, Southside High.
Across the years we'll live anew
Thy spirit, Southside High.

Oh, dear Southside, thy loving ways
And charms will ever be,
Those memories of golden days,
Those friends and hearts so free,
In thee we pledge our honor due
And parting, sound thy cheers;
Our thoughts of you, so staunch, so true,
Will live through all the years.
Our thoughts of you, so staunch, so true,
Will live through all the years.
